Where Young Minds Grow

We invite you to visit our preschool for a tour and classroom visit Monday through Friday between 10:00 a.m. and 12:00 noon. Bring your preschooler with you and participate in Circle Time activities, play on the playground, or join the class for snack. Please call our Administrative Assistant, Jo Ann Sella, at 770.664.2214 to arrange a visit.

We are located on the lower level of the Community Life Building which is accessed from the back parking lot. Please press the "Call Button" to the right of the Security Door and a preschool office staff member will assist you.

Registration for new families will begin on Monday, January 30th at 9:45 a.m. in Room 105 of the Community Life Building. To accept an opening in our preschool, you will complete a registration form and pay the registration fee to hold your child's place until May 1, 2012. The first tuition payment is due May 1st, which will continue to hold your child's place in our program for the 2012-2013 school year.

Our preschool bookkeeper, Cathy O'Sullivan, is available to answer any questions you may have about tuition payments.

Our preschool director, Kathy Cicio, is available to discuss curriculum, goals, and objectives with you.

STA Preschool teachers return year after year to provide loving care for your children while teaching the many skills a child needs for kindergarten readiness. Our teachers attend professional development training each year provided by the Archdiocese of Atlanta Summer Education Institute and the Georgia Educational Training Agency. STA Preschool teachers renew CPR, First Aid and Fire Safety training as required.

STA Preschool is an "Exempt from State Licensing" program and is under the supervision of the Archdiocese of Atlanta Office of Catholic Schools. STA Preschool operates under the Guidelines for Parish Early Childhood Programs and receives at least two Quality Assurance Visits each year. Our Preschool Director participates in the Archdiocese Preschool Directors' Forums, Professional Development courses provided by the Archdiocese of Atlanta Summer Education Institute and the Georgia Educational Training Agency, and also maintains certification in CPR, First Aid, and Fire Safety.
